The Descendants of

CLAUS STOLTENBERG

of Roehndorf, Holstein, Germany,
and his wife Alsche.

The following genealogy was furnished by the kind Reverend
Pastor Nielsen of the parish of Schoenberg, near Kiel, Hol-
stein, Germany, in the years 1925 and 1926.

The parish of Schoenberg contains 11 villages with about
4,400 inhabitants. The parish register begins in the year
1703, but has gaps between the years 1702 - 1716.

The family Stoltenberg in the parish of Schoenberg is very
numerous, to the extent that one out of four persons bears
this surname. For that reason a complete list of all bap-
tisms, marriages, and deaths of persons bearing this sur-
name would perhaps fill out 1000 sheets of paper. The family
apparently derives its name from the village of Stoltenberg
located north of the parish but right on the border of the
same.

1. CLAUD STOLTENBERG was a husbandman and overseer (Huefner
and Bauervogt) in Roehndorf, and died about 1716
